

OUR MISSION TO SUPPORT THE SUSTAINABLE DEVELOPMENT OF FINANCIAL COOPERATIVES FROM THE LOCAL TO NATIONAL LEVEL THROUGH COLLABORATING INTERNATIONALLY

As the international development arm of the Irish League of Credit Unions, our unique story and lifelong engagement with the credit union family sets us apart from other charities. We know the important role credit unions play providing access to affordable financial services within communities and workplaces. For over 35 years the Foundation has been sharing the Irish credit union experience, we use the vast expertise and skills within the Irish movement and share this knowledge to help others. We are people helping people.

"Greater access to financial services is a key enabler in reducing poverty and boosting prosperity."
